Light source

LED-LM – 986-4813

E27, 7W · 400lm, 1800K

- **Dimmable via switch**
- **Not suitable for external dimmer**
- **IP20**

The LED filament light source with E27 socket has a retro look and is ideal for luminaires where the light source takes centre stage. The light source can also be easily dimmed to 3 brightness levels using the light switch. Thanks to the amber-coloured glass, the light source emits a warm light that is ideal for illuminating living spaces. Modern LED technology is characterised by high light quality and energy efficiency. Compared to conventional halogen light sources, up to 80% of energy costs can be saved. LED light sources also have a long service life, generate less heat and protect the environment.
